The 12 month consumption comparison graph on the front of your bill shows the amount of electricity you have used with Bord Gáis Energy (in kWh) over the most recent 12 months and the previous 12 months. The amounts are based on actual and/or estimated readings. The bottom bar shows you the consumption of an average residential user over a 12 month period. Average annual consumption values are set by the CRU at 4,200 kWh for electricity and 11,000 kWh for gas. You can request up to 3 years' worth of your consumption data from us. Please contact us using the details shown.

For emergency calls related to supply failures, breakdowns and damage to networks please call ESB Networks: Tel: 1800 372 999 (24 hours)

Emergencies

Terms and conditions of electricity supply apply and your acceptance of these is a condition of continued supply. We have codes of practice covering billing and disconnection, marketing and advertising, sign-up, vulnerable customer register, smart metering, pay as you go metering and handling customers' complaints. To obtain a copy of the terms and conditions of supply, customer charter or codes of practice please see bordgaisenergy.ie/resources/ or contact our customer service team.

Customer information

On the day you are moving out* and to ensure you are only charged for the time you're in the property you just need to provide us with the following and we'll take care of the rest:

1. Your account number and MPRN
2. Your forwarding address
3. Contact details for the landlord or the new occupier
4. A meter reading

If you are unable to take a meter reading: We can close your account on an estimated reading.

* This is not guaranteed to be accurate and you will be liable for any additional charges once a reading has been taken.

You will remain liable for the electricity used until you provide/agree a meter reading or ESB Networks has been given access to read and de-energise the meter.

* The earliest we can close your account is two days before you move out

Moving home

If you are having difficulty paying your electricity bill, please contact us immediately by calling our customer service team so that we may discuss this with you.

Your electricity supply may be withdrawn if your account is in arrears. In addition to requiring full payment of arrears, we will also pass on to you ESB Networks charges if your supply has to be disconnected or reconnected.
